Social Workers

Bring your expertise to VA. Employees at the Department of Veterans Affairs have ample opportunity to develop their skills to advance their careers. VA’s Employee Education System (EES) gives practitioners the tools they need to reach their full potential, and maintains ties with numerous accrediting bodies to ensure that staff members receive high-quality training. VA employment offers social workers the chance to grow both as mental health practitioners, and as leaders among their colleagues.

Benefits Include:

- Evidence-based care focused on providing holistic treatment for Veterans
- Opportunities to grow and develop your skills

- Federal employee benefits package and competitive salary
- Healthy balance between work and personal life

VA’s unique patient population provides an opportunity to put your skills to full use in support of those who have served our country. VA mental health professionals work with Veterans of all ages, from the oldest men and women to those from recent conflicts. Specialized services geared toward women address the needs of the fastest-growing Veteran population.
